

Sports Premium 13 -14

The Government has issued a sports premium £9000 (similar to that of the pupil premium), for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

At Park Junior School we are spending just over half of our Sports Premium working with Real PE.

The aims of our Sports Premium spending are

- To identify learning styles of individual children
- To develop a comprehensive curriculum supporting fundamental skills in line with new curriculum and OFSTED framework
- To develop knowledge and ability, to lead continued professional development (CPD) for Park staff & other schools
- To increase development of fundamental gymnastic skills
- To develop pathways into competition
- To increase participation of 'non gymnasts'
- To establish early pathways into extra-curricular sport

How are we spending the money?

We offer numerous extra-curricular clubs each term.

Some are run by our well trained enthusiastic staff and to some we invite in external experts from local sports clubs and academies.
