

Sports Premium 14-15

The Government have issued a sports premium of £9130 (similar to that of the pupil premium), for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

At Park Junior School we are spending just over half of our Sports Premium working with Real PE.

The aims of our Sports Premium spending are

- To identify learning styles of individual children
- To develop a comprehensive curriculum supporting fundamental skills in line with new curriculum and OFSTED framework
- To develop knowledge and ability, to lead continued professional development (CPD) for Park staff & other schools
- To increase development of fundamental gymnastic skills
- To increase participation of 'non gymnasts'
- To establish early pathways into extra-curricular sport

How are we spending the money?

Continued Curriculum Development – support for Teachers and Support staff:

Continuing with ongoing 'Real PE' fundamental and advanced skills staff training for all staff members.

Teachers believe their ability has increased to plan and deliver a sequence of lessons to develop children's' skills from basic to advanced.

Curriculum Development – Co-coaching with staff:

Staff to be mentored by professionals from 'Real PE'

Training personalised to CPD needs.

Teachers believe their ability has increased to plan and deliver a sequence of lessons to develop children's' skills from basic to advanced.

Competition and Festivals:

Children inspired to participate in more sporting activities, both competitive and non-competitive.

Park teams to take part in inter & intra School Games Competitions.

The Sports Premium has enabled cover for competitions which take part during curriculum time.

Increased participation in inter & intra competitions. Park children took part in twelve competitions compared to last year's seven. We aim to provide even more competitions next year.

After School Clubs:

A survey of children showed a desire for more clubs including: archery, netball, athletics and tennis.

Children inspired to participate in more sporting activities, both competitive and non-competitive.

Some are run by our well trained enthusiastic staff and to some we invite in external experts from local sports clubs and academies.
