

Sports Premium 2016-17

The Government have issued a sports premium of £9025 (similar to that of the pupil premium), for academic years 2013 to 2014 onwards with the aim to improve provision of physical education (PE) and sport in primary schools. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

At Park Junior School we are spending just over half of our Sports Premium working with external agencies. They will be building staff CPD (along with their confidence and skillsets) and providing children with expert coaching in a variety of sports – many of which the children will not have come across before.

The aims of our Sports Premium spending are

- * To develop a comprehensive curriculum supporting fundamental skills in line with new curriculum and OFSTED framework
- * To develop knowledge and ability, to lead continued professional development (CPD) for Park staff & other schools
- * To increase development of fundamental dance skills
- * To increase participation of 'non dancers'
- * To continue to build confidence and enjoyment of Gymnastics in school from last years focus.
- * To establish early pathways into extra-curricular sport

How are we spending the money?

Continued Curriculum Development – support for Teachers and Support staff:

Continuing with ongoing 'Real PE' fundamental and advanced skills staff training for all staff members.

Curriculum Development – Co-coaching with staff:

Staff to receive Dance CPD training from an external agency (similar to the Gymnastics and 'Games' from last year).

To continue to develop Gymnastics and 'Games' through multi sports in lesson time

Training personalised to CPD needs - Dance identified in some year groups as area staff would like support.

Competition and Festivals:

Children inspired to participate in more sporting activities, both competitive and non-competitive.

Park teams to take part in inter & intra School Games Competitions.

The Sports Premium has enabled cover for competitions which take part during curriculum time.

After School Clubs:

A survey of children showed a desire for more clubs including: table tennis, dance (Zumba) and hockey.

Children inspired to participate in more sporting activities, both competitive and non-competitive.

Some are run by our well trained enthusiastic staff and to some we invite in external experts from local sports clubs and academies.

A local gymnastics club 'Flip & Twist' uses our facilities to offer gymnastics to the local community a couple of times a week. The local football club uses our facilities to offer football skills to the local community.

Judo offers expert tuition.
